Peter,

I want to formally thank you for your success in selling our ATF40G-2 Tadano All Terrain in this tough market, in so short a period of time. Your efforts went above and beyond the call of duty both prior to and subsequent to the completion of sale.

Your ethics, professionalism and expertise in the Crane Industry were apparent from the beginning. The personal attention we received (phone calls, emails and text messages responded to promptly), and your marketing strategies, assured us our Crane was in very capable hands.

It has been a pleasure to work with you and your team. I am pleased to recommend All Crane Sales & Equipment Pty Ltd and will definitely retain their services again.

Sincerely,

Mick Lear
